HHS Forfeit; Dyer Tie Highlight Season

SHAKEN UP after making vicious tackle, defensive end Bill Irk, aided by Coach George Smith, limps off playing field.

COACHING FROM THE SIDELINES, Mr. George Smith guides struggling Gladiators against unconquerable Hammond Morton.

The varsity Gladiators finished the last non-conference football schedule with four wins, four losses and one tie.

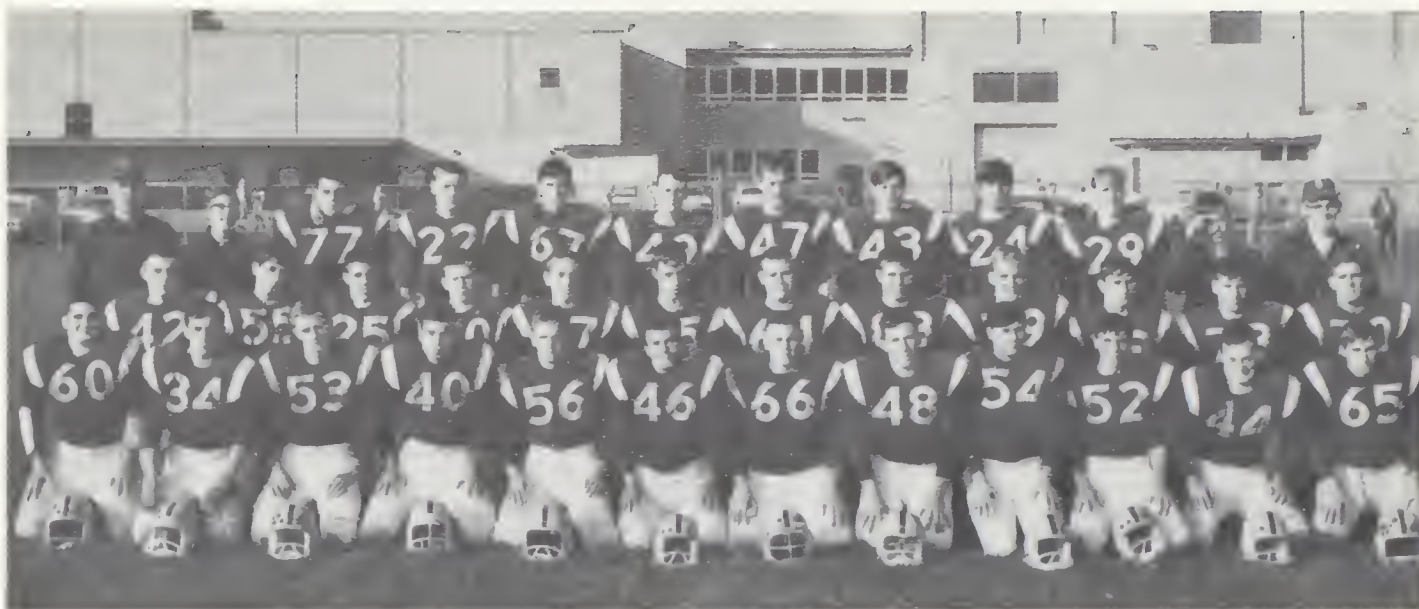

The tradition of homecoming wins was added to by defeating River Forest at their homecoming, and TFS at the GHS homecoming. The '65 varsity players finally succeeded in conquering the Griffith Panthers, 6-0, for the first time in Gavit football history. The HHS triumph over GHS, 28-6, will go on record as a 1-0 victory for GHS, the result of using an ineligible player by the Wildcats.

Although rated as strong contenders for the Northwest Conference championship by opposing coaches, the Gavit nine launched the baseball season slowly. GHS dropped the opening game to Griffith 15-0 and trailed Lowell stickmen 6-2. The forte of the team is in the arms of experienced hurlers, senior Glenn Swearingen and junior Tom Guzek. Good backing by returning lettermen Dennis Darmoc, John Locke, Chip Bevan, Dan Goddard and Dan Spitale should help the team live up to its expectations as a conference contender.

YOUR FUTURE'S

BRIGHT IN

NIPSCOLAND

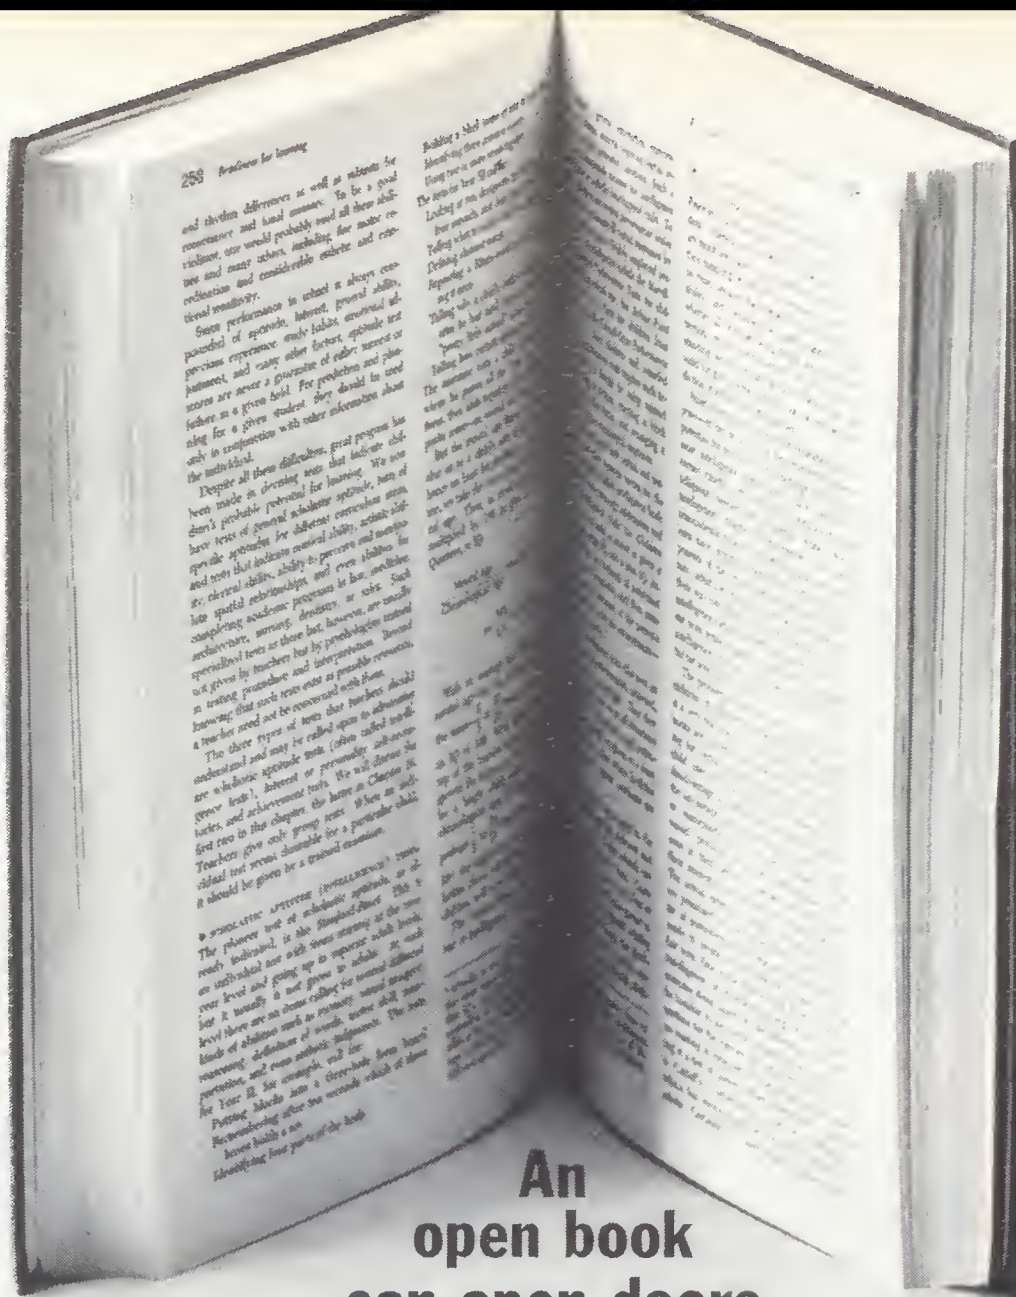

*We will be happy
to discuss your career
opportunities at NIPSCO
... drop in and see us!*

If your eyes are on far horizons following graduation, here's a suggestion from Peppy Flame and Reddy Kilowatt: Look around you right here in NIPSCOLAND!

There are vast and challenging opportunities in northern Indiana for trained young men and women in industry, commerce and agriculture. Some of the greatest challenges await the talent and imagination of young people in the investor-owned utility business.

NORTHERN INDIANA PUBLIC SERVICE COMPANY

serving today ... building for the future

An open book can open doors

In our recruiting we ask that applicants have completed their High School education. That's because we try always to fill higher, more responsible jobs from the ranks of our employees. And the records show—the better the employee's education, the better he is at his job—and the better he does for himself.

Inland employees continue to gain knowledge and experience in special trades through formal apprenticeship programs offered in the following trades—Machinist,

Patternmaking, Boilermaking, Welding, Shop Electrician, Wireman, Mason and Pipefitter.

Many concentrate on certain phases of steelmaking by working in production while others work in laboratories helping to assure quality or developing new and better products for our customers.

How about you? Inland Steel is steadily expanding. More and more opportunities will be open to you as our growth continues. Are you ready?

Putting out a yearbook not only takes work, knowledge and intelligence, but most of all a competent, cooperating staff who uses these efforts in long hour endurance. Looking over the year we not only remember the work but also the many “Breathers” attributed to . . . Judi’s “Girl Talk” . . . Elmer’s glue football game . . . coloring in black squares . . . boyfriend feuds . . . handwriting analysis . . . conrade talk . . . George Wilson . . . hopping over Snide . . . Carol’s art class . . .
